10<sup>th</sup> August 2016

Dear Industry Partners,

**ASIA PACIFIC ORTHOPAEDIC ASSOCIATION TRAUMA AND INFECTION MEETING 2017**

The Asia Pacific Orthopaedic Association (APOA) is proud to announce that we will be organising the APOA Trauma and Infection Meeting 2017 from 30<sup>th</sup> March to 2<sup>nd</sup> April 2017 in Kuala Lumpur, Malaysia.

This conference will focus on diagnosis and specific medical intervention for trauma and infection cases. The contents will be presented in the following formats:-

- \* Plenary Sessions
- \* Instructional Course Lectures
- \* Symposiums
- \* Meet the Experts Sessions
- \* Technique Workshops
- \* Free Paper Oral and Poster Presentations

This congress is designed for orthopaedic surgeons, master trainees, medical officers, nurses and allied health professionals involved in orthopaedics, emergency department and the operating theatre. We are targeting a turnout of 1,000 participants.

***Why participate in APOA Trauma and Infection Meeting 2017?***

The APOA is a regional organisation of orthopaedic surgeons from the Asia Pacific region. Today, APOA has 22 member chapters and more than 25,827 members from over 40 countries. The 22 member chapters are Australia, Bangladesh, Brunei, Cambodia, China, Hong Kong, India, Indonesia, Japan, Korea, Malaysia, Myanmar, New Zealand, Nepal, Pakistan, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, Turkey and Vietnam. APOA's conferences and fellowships are very sought after by young surgeons while established and renowned senior surgeons provide the experience and resources to assist younger fellows.

This conference will be a platform for active discussion between our peers, from this region & the rest of the world. We anticipate enthusiastic and engaging exchange between our invited well-renowned speakers from around Asia Pacific. We always have a rich rewarding exchange of ideas and techniques between our experts and participants. What makes this meeting unique is it is designed to be interactive. Our sessions are based on clinical cases and technique instead of dry theory. Our target participants will be young and emerging orthopaedic surgeons from Asia Pacific countries. The industry can look forward to engaging with up and coming surgeons who can put the knowledge they will learn into immediate practice post-conference.

We would like to invite the industry to take the opportunity to actively participate in this conference. The accompanying page lists the sponsorship packages available. If you have any question, please contact our conference secretariat Ng Pay Zhi or Dee Dee Quah at [secretariat@apoa-trauma.com](mailto:secretariat@apoa-trauma.com) or +6016 955 2612. For more details, do go to [www.apoa-trauma.com](http://www.apoa-trauma.com).

We look forward to see you at APOA Trauma and Infection Meeting 2017.

Best Regards,
